

# THE ROC OF NEW JERSEY PRESENTS FOUNDERS WIN-WIN-WIN CAMPAIGN!

THE CAMPAIGN WHERE EVERYONE BECOMES A

FOUNDER AND A...  
**WINNER!**

The ROC of NJ is an exciting new organization in the Raritan Valley communities of East Brunswick, Edison and Highland Park. With great new initiatives like a Shop Local Campaign and an Employment Assistance Initiative we are just getting started. Help us accomplish more by becoming one of our Founders!

HELPING-GROWING-UNIFYING  
THAT IS THE ROC OF  
NEW JERSEY!

It is quite simple – by contributing to this campaign you will become a winner by receiving a complimentary Shop Local Coupon book with almost \$1200 of coupons (limited amount available), the local vendors win by your redeeming your coupon at their businesses, and The ROC of NJ wins by having the wherewithal to undertake more initiatives that will help our community's members, businesses, Shuls, Schools and organizations grow and prosper.
